CERTIFICATION

This survey is made for the benefit of:

Oviedo Stor-All, Ltd.

I, H. Paul deVivero, Professional Land Surveyor do hereby certify to the aforesaid parties, as of the date set forth hereon that I have made a survey of a tract of land described hereon.

1. This is to certify that this map or plat and the survey on which it is based were made in accordance with the "Minimum Standard Detail Requirements for ALTA/ACSM Land Title Surveys," jointly established and adopted by ALTA and NSPS in 2005, and includes Items 1, 2, 3, 4, 6, 7(a), 7(b)(1) and 7(c), 8, 9, 10 and 11(a) of Table A thereof. Pursuant to the Accuracy Standards as adopted by ALTA and NSPS and in effect on the date of this certification, undersigned further certifies that in my professional opinion, as a land surveyor registered in the State of Florida, the Relative Positional Accuracy of this survey does not exceed that which is specified therein.

2. The accompanying survey was made on the ground and correctly shows the location of all buildings, structures and other improvements situated on the above premises; there are no visible encroachments on the subject property or upon adjacent land abutting said property; there are no streams, rivers, springs, lakes, or apparent drains located or bordering on or running through the subject premises; there are no gaps, gores or overlaps between parcels or roads, highways, streets or alleys except as shown hereon and such survey was made in accordance with laws and/or Minimum Standards of the State of Florida.

3. The property described hereon is the same as the property described in Commitment File No. 11492-0193 with an effective date of 12-21-2005 and that all easements, covenants and restrictions referenced in said title commitment or apparent from a physical inspection of the site or otherwise known to me have been plotted hereon or otherwise noted as to their effect on the subject property.

4. Said described property is located within an area having a Zone Designation X by the Federal Emergency Management Agency (FEMA), on Flood Insurance Rate Map No. 0165E, with a date of identification of 04/17/1995, for Community No. 12117C, in Seminole County, State of Florida, which is the current Flood Insurance Rate Map for the community in which said premises is situated.

5. The Property has direct access to State Road No. 426, a dedicated public street.

6. All public roads, highways, streets and alleys running adjacent to or upon the subject premises are shown; all physical evidence of boundary lines and lines of possession or occupancy have been shown and proper notation made where in conflict with the legal description; there are no boundary line discrepancies and no deficiencies in the quantity of the land described in the legal description.

7. The total number of striped parking spaces on the subject property is 55 including 4 designated handicap spaces.

8. That the survey represented hereon meets the Minimum Technical Standards for Land Surveying in the State of Florida, as adopted by the Department of Professional Regulation, Board of Land Surveyors, Chapter 61G17-6 and the Florida Board of Land Surveyors pursuant to Chapter 472.027 of the Florida Statute. The instrument is not valid unless it bears an original signature and an embossed Surveyor's seal.
