The North Port Advantage:

The City of North Port, one of Florida's fastest growing and largest cities, is strategically located in Sarasota County, on Florida's Gulf Coast midway between Tampa and Fort Myers only a short distance from the new West Villages Development and the new Atlanta Braves Training Facility. This thriving young community (founded in 1959) has the amenities and assets that make it an attractive location for new business, industrial, office development and quality of city living. North Port has several prime development sites, ample sewer and water capacity and excellent interstate access via I-75. With a median age of 45 years, it is currently only forty percent complete of the intended development of the community.

Corr Commercial Advisors was built on the values the Corr name instituted almost 70 years ago. Built on entrepreneurship, integrity, creativity, and excellence, Corr Commercial Advisors, LLC was established, serving communities from Sarasota to Fort Myers in the southwest Florida region. Corr Commercial Advisors is your only choice in commercial real estate.
