TRAFFIC GENERATORS

Century Square

Century Square is an exciting mixed-use destination adjacent to Texas A&M University. Redefining the Brazos Valley, the 60-acre development creates a dynamic community center where people congregate from across the region to experience a walkable, urban destination.

The project features premier retail and restaurant entertainment venues, 60,000 SF of Class-A office, two full-service hotels: The George and Cavalry Court, luxury apartment homes: 100 Park, and an active central gathering place.

Veterans Park & Athletic Complex

Athletes, coaches, and spectators have long considered College Station's Veterans Park & Athletic Complex to be a premier venue for local, regional and national tournaments. The complex features 13 multi-purpose fields (4 synthetic) and five natural grass softball fields. Amenities include lights on all fields, batting cages, playgrounds, wi-fi connectivity, pavilion, and more. Tucked away in the park is a 12-acre site dedicated to veterans from our nation's wars. The Brazos Valley Veterans Memorial includes life-sized statues, a Wall of Honor, interpretive panels and memorial sites.

Travis Bryan Midtown Park

Travis Bryan Midtown Park is well underway, and already both guests and residents alike will be able to enjoy the 150-acre park. It features outdoor athletic fields, Legends Event Center, Big Shots, nature-based recreation opportunities, and more. Back in November, Bryan City Council approved a ground lease to SMBG Bryan, LLC to construct a multi-use recreation and entertainment facility on 5.6 acres in Travis Bryan Midtown Park along the southwest shore of Midtown Lake near the intersection of West Villa Maria Road and South College Avenue. The facility is expected to open by Sept. 1, 2024. The project will include: at least 24 bowling lanes, six pickleball courts, an outdoor amphitheater, arcade, and movie theater rooms.

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
