This pristine building is located on a prominent stretch of Taftville's primary thoroughfare (in a school zone). It features a storefront layout with a top visibility sign. It has been totally renovated and updated and features an open office layout with great flexibility. There is a second floor, private office with potential private entrance with outside stairs. It is turnkey for any professional, service or retail use, including new or recently upgraded forced air heat, central air, wired for anything (there is a server room for a potential Tech-centric operation) and with plenty of parking both on street and in the rear of the building.
