Zoning: Urban

“Urban waterfront (“UW”), refers to special waterfront-oriented uses, including marinas, restaurants, entertainment, hotels, and higher-density residential. Existing “marine industrial” uses are conditionally permitted. In both the North and South Points, UW is generally located along all waterfront properties throughout the CRA with the exception of those waterfront properties on the north side of Frazier Creek and on the east side of the “North Point” peninsula south of Fern Street.”

Density. A density of 15 dwelling units per acre is permitted in all Urban Code subdistricts. The number of dwelling units may be increased to a maximum of 30 dwelling units per acre with a major Urban Code conditional use.
