MAINTENANCE

Section 8.1 Maintenance by Owners. Each Owner shall maintain and keep in repair the interior of his or her Unit, including the fixtures thereof to the extent current repair shall be necessary in order to avoid damaging other Unit Owners, and all Limited Common Elements allocated to the Unit. All fixtures and equipment installed within the Unit commencing at a point where the utilities enter the Unit shall be maintained and kept in repair by the owner of such Unit. An Owner shall do no act or work that will impair the structural soundness or integrity of the Common Elements or impair any easement. Each Owner shall be responsible for the maintenance of the interior non-supporting walls of his or her Unit, and the surface materials thereon such as plaster, drywall, paneling, wallpaper, paint, tile and carpeting of the perimeter walls, ceilings and floors within the Unit, including Unit doors and windows. Section 8.2 Owner's Failure to Maintain or Repair. In the event that a Unit (including the allocated Limited Common Element) is not properly maintained and repaired by the owner of the Unit, or in the event that the unit is damaged or destroyed by an event of casualty and the Owner does not take reasonable measures to diligently pursue the repair and reconstruction of those portions of the damaged or destroyed Unit for which the Owner is responsible to substantially the same condition in which they existed prior to the damage or destruction, then the Association, after

notice to the Owner and with the approval of the Executive Board shall have the right to enter upon the Unit to perform such work as is reasonably required to restore the Unit and all Limited Common Elements allocated to the Unit to a condition of good order and repair. All costs incurred by the Association in connection with the restoration shall be reimbursed to the Association by the owner of the Unit, upon demand. All unreimbursed costs shall be a lien upon the Unit until reimbursement is made. The lien may be enforced in the same manner as a lien for an unpaid Assessment levied in accordance with Article 10 of this Declaration.

Section 8.3 Maintenance by Association. The Association shall be responsible for the maintenance and repair of the General Common Elements, whether located inside or outside of Units which (unless necessitated by damage caused by the negligence, misuse or tortious act of a Unit Owner or Owner's Agent as set forth in Section 8.4 below) shall be the Common Expense of all Owners. This maintenance shall include, but shall not be limited to, upkeep, repair and replacement, subject to any insurance then in effect, of all landscaping, walls, gates, signage, irrigation systems, sidewalks, driveways and improvements, if any (which shall include without limitation snow removal services unless performed by another private or public organization formed for such purposes), located in the Common Elements. In the event the Association does not maintain or repair the Common Elements, Declarant shall have the right, but not the obligation, to do so at the expense of the Association.

Section 8.4 Association Maintenance as Common Expense. The cost of maintenance and repair by the Association shall be a Common Expense of all of the Owners, to be shared by each Unit Owner according to the Allocated Interests therefor. Damage to the interior or any part of a Unit resulting from the maintenance, repair, emergency repair or replacement of any of the Common Elements or as a result of emergency repairs within another Unit at the instance of the Association shall also be Common Expense of all of the owners. However, if such damage is caused by negligent or tortious acts of a Unit Owner, members of the Unit Owner's family, or the Unit Owner's agent, employee, invitee, licensee or tenants (collectively "Owner's Agents"), then such Unit Owner shall be responsible and liable for all of such damage and the cost thereof, to the extent that such persons' negligence caused such damage, which must be timely paid.

Section 8.5 Easement for Maintenance. Each Owner and the Association shall have the irrevocable right, to be exercised by the Manager, the Executive Board or officers or employees of the Association, to have access to each Unit from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of any of the Common Elements therein or accessible therefrom, or at any hour for making emergency repairs, maintenance or inspection therein necessary to prevent damage to the Common Elements or another Unit. In the

event insurance proceeds under Article 9 are payable to an Owner but the maintenance responsibility of the area to which such proceeds relate is the Association's, the Association shall complete any such repair or replacement at the Owner's cost.

Section 8.6 Association's Right to Grant Owner's Maintenance Area. The Association reserves the right to grant the maintenance responsibility of certain areas within each Unit to the Unit Owner, and the Unit Owner is obligated to accept said maintenance responsibility, provided said assignment is done in a uniform and nondiscriminatory manner.

Section 8.7 Limited Common Element Maintenance. Maintenance expenses for all Limited Common Elements shall be paid by the the Owners of the Units to which such Limited Common Elements are appurtenant. In the event of damage or destruction of a Limited Common Element from any cause other than the negligence or tortious acts of an Owner or Owner's Agent, the then Owners of the Units to which the Limited Common Element is attributable shall bear equally the expense to repair or rebuild the Limited Common Element to its previous condition. The Owner shall bear the cost of such damage to the extent of such Owner's or Owner's Agent's negligence.

Section 8.8 Association Power. The Association shall have the right and power to prohibit storage or other activities deemed unsafe, unsightly, unreasonably noisy or otherwise offensive to the senses and perceptible from another Unit or the Common Elements. No Owner shall make any addition or other alteration to any portion of the Common Elements without the express consent of the Executive Board.

ARTICLE 9

INSURANCE

Section 9.1 General Insurance Provisions. The Association shall acquire and pay for, out of the assessments levied under Article 10 below, the following insurance policies carried with reputable insurance companies authorized to do business in Colorado:

9.1.1 Property Insurance Coverage. The Association shall acquire and pay for property insurance on the common elements for broad form covered

causes of loss, including fire, with extended coverage, except that the total amount of insurance must be not less than the full insurable replacement cost of the insured property less applicable deductibles as of the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations and other items normally excluded from property policies. Said insurance coverage must include the Units, but not the finished interior surfaces of the walls, floors and ceilings of the Units. Said insurance coverage will not include improvements and betterments installed by Unit Owners.

9.1.2 Commercial General Liability Coverage. The Association shall acquire and pay for commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use or management of the common elements and also of all Units. Said coverage shall be obtained in an amount specified in the Association documents, and shall insure the Executive Board, the Unit Owners' Association, any management agent and their respective employees, agents and all persons acting as agents. The Declarant shall be included as an additional insured in such Declarant's capacity as a Unit Owner and board member. The Unit Owners shall be included as additional insureds, but only for claims and liabilities arising in connection with the ownership, existence, use or management of the common elements and also of all Units. The insurance shall also cover claims of one or more insured parties against the other insured parties.

9.1.3 Unit Owners' Insurance Coverages. Insurance coverage on the furnishings and other items of personal property belonging to an Owner, casualty and public liability insurance coverage for each Unit and the Limited Common Elements associated therewith and workman's compensation insurance covering work within each Unit or on the Limited Common Elements associated therewith shall be the responsibility of the Owner of the Unit. By accepting his or her deed for a Unit, the Owner acknowledges that the Association carries no insurance on the interior walls or the contents of any Unit, and that any such coverage must be obtained and the premiums paid solely by the Owner. An insurance policy issued to the Association does not obviate the need for Unit Owners to obtain insurance coverage for their own benefit.

Section 9.2 Certificates of Insurance, Cancellation. Certificates of insurance shall be issued to each Owner and Mortgagee upon request. All policies required to be carried under this Article 9 shall provide a standard non-contributory mortgagee clause in favor of each First Mortgagee of a Unit and shall provide that such policy cannot be canceled by the insurance company without at least thirty (30) days prior written notice to each Owner and each First Mortgagee whose address is shown in the

records maintained pursuant to the Association's documents. If the insurance described in this Article 9 is not reasonably available, or if any policy of such is canceled or not renewed without a replacement policy therefor having been obtained, the Association promptly shall cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Owners and to all First Mortgagees.

- Section 9.3 **Insurance Proceeds.** Any loss covered by the property insurance policy described in Section 9.1 must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any holder of a security interest. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and Mortgagees as their interests may appear. Subject to the provisions of Section 9.5 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Association, Owners and Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored or the regime created by this Declaration is terminated.
- Section 9.4 **Insurer Obligation.** An insurer that has issued an insurance policy for the insurance described in Sections 9.1 shall issue certificates or memoranda of insurance to the Association and, upon request, to any Owner or Mortgagee. Unless otherwise provided by statute, the insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or nonrenewal has been mailed to the Association and to each Owner and Mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last-known addresses, and to any servicer of a Mortgage for FNMA.
- Section 9.5 **Repair and Replacement.** Any portion of the Common Elements for which insurance is required under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association unless:
- 9.5.1 The common interest community created by this Declaration is terminated in which case the approval must first be obtained of sixty-seven percent (67%) of First Mortgagees of Units subject to First Mortgages (which percentage is measured by votes allocated to such Units);
 - 9.5.2 Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety;
 - 9.5.3 There is a vote not to rebuild by (a) one hundred percent (100%) of the Owners entitled to vote and sixty-seven percent (67%) of First Mortgagees of Units subject to First Mortgages (which percentage is measured by votes allocated to such Units); and (b) every Owner and First Mortgagee

of a Unit or assigned Limited Common Element that will not be rebuilt;
or

9.5.4 Prior to the conveyance of any Unit to a person other than Declarant, the Mortgagee holding a Mortgage on any damaged portion of the Common Elements may rightfully demand all or a substantial part of the insurance proceeds. The cost of repair or replacement of Common Elements in excess of insurance proceeds and reserves is a Common Expense. If all the Common Elements are not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements must be used first to restore the damaged area to a condition compatible with the remainder of the Project, and except to the extent that other persons will be distributees, the balance of the insurance proceeds must be distributed to all the Owners or Mortgagees, as their interests may appear in proportion to each Unit's Common Expenses Allocated Interests.

Section 9.6 Common Expenses. Premiums for insurance that the Association acquires and other expenses connected with acquiring such insurance are Common Expenses. To the extent that such premiums are attributable to fewer than all Units the Association may apportion them to the Units to which they are attributable.

Section 9.7 Workers' Compensation Insurance. The Executive Board shall obtain workers' compensation or similar insurance with respect to its employees, if applicable, in the amounts and forms as may now or hereafter be required by law.

Section 9.8 Other Insurance. The Association shall maintain flood insurance if any part of the Project is located within a Special Flood Hazard Area on a Flood Insurance Rate Map, equal to the lesser of one hundred percent (100%) of the insurable value of the Project or the maximum coverage available under the appropriate National Flood Insurance Program. The Association shall also maintain insurance to the extent reasonably available and in such amounts as the Executive Board may deem appropriate on behalf of Directors against any liability asserted against a Director or incurred by him or her in his capacity of or arising out of his or her status as a Director. The Executive Board may obtain insurance against such other risks of a similar or dissimilar nature as it shall deem appropriate with respect to the Association's responsibilities and duties or as requested by any Agency.

ARTICLE 10

ASSESSMENTS

Section 10.1 Obligation. Each Owner, including Declarant while an Owner of any Unit, is obligated to pay to the Association (1) the Annual Assessments; (2) Special Assessments; and (3) Default Assessments.

Section 10.2 Budget. Within thirty (30) days after the adoption of any proposed budget for the association, the Executive Board shall mail, by ordinary first-class mail, or otherwise deliver a summary of the budget to all the Owners and shall set a date for a meeting of the Owners to consider ratification of the budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Unless at that meeting a majority of all Owners reject the budget, the budget is ratified, whether or not a quorum is present. In the event that the proposed budget is rejected, the periodic budget last ratified by the Owners must be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board. The Executive Board shall adopt a budget and submit the budget to a vote of the Owners as provided herein no less frequently than annually. The Executive Board shall levy and assess the Annual Assessments in accordance with the annual budget.

Section 10.3 Annual Assessments. Annual Assessments made for Common Expenses shall be based upon the estimated cash requirements as the Executive Board shall from time to time determine to be paid by all of the Owners, subject to Section 10.2 above. Estimated Common Expenses shall include, but shall not be limited to, the cost of routine maintenance and operation of the Common Elements, expenses of management and insurance premiums for insurance coverage as deemed desirable or necessary by the Association, landscaping of the Property, care of grounds within the Common Elements, routine repairs, replacements and renovations within and of the Common Elements, wages, common water and utility charges for the Common Elements, legal and accounting fees, management fees, expenses and liabilities incurred by the Association under or by reason of this Declaration, payment of any default remaining from a previous assessment period, and the creation of a reasonable and adequate contingency or other reserve or surplus fund for insurance deductibles and general, routine maintenance, repairs and replacement of improvements within the Common Elements on a periodic basis, as needed.

Annual Assessments shall be payable in monthly installments on a prorated basis in advance and shall be due on the first day of each month. The omission or failure of the Association to fix the Annual Assessments for any assessment period shall not be deemed a waiver, modification or release of the Owners from their obligation to pay the same. The Association shall have the right, but not the obligation, to make prorated refunds of any Annual Assessments in excess of the actual expenses incurred in any fiscal year.

10.3.1 Initial Assessment. Prior to the initial sale of a Unit, the Declarant may levy an Initial Assessment. The declarant shall determine the Initial Assessment based upon the estimated cash requirements needed to pay, from the date of the initial assessment until the end of the year in which such assessment is levied, the Common Expenses as defined above. The Declarant shall pay the initial

assesment for all units. The Declarant shall deliver a copy of the Initial Assessment at closing on the initial sale of each Unit. The Initial Assessment for each Unit shall then be prorated at closing on the initial sale of such unit between the Declarant and the initial Owner of each Unit.

Section 10.4 Apportionment of Initial and Annual Assessments. The Common Expenses shall be allocated among the Units on the basis of the Allocated Interests for Common Expenses in effect on the date of assessment, provided, however, that the Association reserves the right to allocate all expenses relating to fewer than all of the Units (such as those expenses attributable to Limited Common Elements and insurance premiums described in Section 9.6) to the Owners of those affected Units only.

Section 10.5 Special Assessments. In addition to the Annual Assessments, the Association may levy in any fiscal year one or more Special Assessments, payable over such a period as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of improvements within the Common Elements or for any other expense incurred or to be incurred as provided in this Declaration. This Section 10.5 shall not be construed as an independent source of authority for the Association to incur expense, but shall be construed to prescribe the manner of assessing expenses authorized by other sections of this Declaration. Any amounts assessed pursuant to this Section shall be assessed to Owners according to their Allocated Interests for Common Expenses, subject to the right of the Association to assess only against the Owners of affected Units any extraordinary maintenance, repair or restoration work on fewer than all of the Units shall be born by the Owners of those affected Units only, and any extraordinary insurance costs incurred as a result of the value of a particular Owner's Unit or the actions of a particular Owner (or his agents, servants, guests, tenants or invitees) shall be born by that Owner. Notice in writing of the amount of such Special Assessments and the time for payment of the Special Assessments shall be given promptly to the Owners, and no payment shall be due less than ten (10) days after such notice shall have been given.

Section 10.6 Default Assessments. All monetary fines assessed against an Owner pursuant to the Association Documents, or any expense of the Association which is the obligation of an Owner or which is incurred by the Association on behalf of the Owner pursuant to the Association Documents, shall be a Default Assessment and shall become a lien against such Owner's Unit which may be foreclosed or otherwise collected as provided in this Declaration, Notice of the amount and due date of such Default Assessment shall be sent to the Owner subject to such Assessment at least ten (10) days prior to the due date.

Section 10.7 Effect of Non-payment; Assessment Lien. Any Assessment installment, whether pertaining to any Annual, Special or Default Assessment, which is not paid on or

before its due date shall be delinquent. If an Assessment installment becomes delinquent, the Association, in its sole discretion, may take any or all of the following actions:

- (i) Assess a late charge for each delinquency in such amount as the Association deems appropriate;
- (ii) Assess an interest charge from the due date at the yearly rate of six (6) points above the prime rate charged by the Association's bank, or such other lawful rate as the Executive Board may establish;
- (iii) Suspend the voting rights of the Owner during any period of delinquency;
- (iv) Suspend the rights of the Owner, and the Owner's employees, guests, lessees and invitees, to use Common Element facilities during any period of delinquency;
- (v) Accelerate all remaining Assessment installments so that unpaid Assessments for the remainder of the fiscal year shall be due and payable at once;
- (vi) Bring an action at law against any Owner personally obligated to pay the delinquent Assessments; and
- (vii) Proceed with foreclosure as set forth in more detail below.

Assessments chargeable to any Unit shall constitute a lien on such Unit. The Association may institute foreclosure proceedings against the defaulting Owner's Unit in the manner for foreclosing a mortgage on real property under the laws of the State of Colorado. In the event of any such foreclosure, the Owner shall be liable for the amount of unpaid Assessments, any penalties and interest thereon, the cost and expenses of such proceedings, the cost and expenses for filing the notice of the claim and lien, and all reasonable attorney's fees incurred in connection with the enforcement of the lien. The Association shall have the power to bid on a Unit at foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

Section 10.8 Personal Obligation. Each Assessment against a Unit is the personal obligation of the person who owned the Unit at the time the Assessment became due and shall not pass to successors in title unless they agree to assume the obligation. No Owner may exempt himself from liability for the Assessment by abandonment of his Unit or by waiver of the use or enjoyment of all or any part of the Common Elements. Suit to recover a money judgment for unpaid Assessments, any penalties and interest thereon, the cost and expenses of such proceedings, and all reasonable attorney's fees in connection therewith shall be maintainable without foreclosing or waiving the Assessment lien provided in this Declaration.

Section 10.9 Payment by Mortgagee. Any Mortgagee holding a lien on a Unit may pay any unpaid Assessment payable with respect to such Unit, together with any and all costs and expenses incurred with respect to the lien, and upon such payment that Mortgagee shall have a lien on the Unit for the amounts paid with the same priority as the lien of the Mortgage.

Section 10.10 Statement of Status of Assessment Payment. Upon payment of a reasonable fee set from time to time by the Executive Board and upon fourteen (14) days' written request to the Association's registered agent by personal delivery or certified mail, first-class postage prepaid, return receipt requested, any Owner, designee of Owner, Mortgagee, prospective Mortgagee or prospective purchaser of a Unit shall be furnished with a written statement setting forth the amount of the unpaid Assessments, if any, with respect to such Unit. Unless such statement shall be issued by personal delivery or by certified mail, first-class postage prepaid, return receipt requested, to the inquiring party (in which event the date of posting shall be deemed the date of delivery) within fourteen (14) days after receipt of the request, the Association shall have no right to assert a lien upon the Unit over the inquiring party's interest for unpaid Assessments which were due as of the date of the request.

Section 10.11 Maintenance Accounts, Accounting. If the Association delegates powers of the Executive Board or its officers relating to collection, deposit, transfer or disbursement of Association funds to other persons or to a manager, then such other persons or manager must (a) maintain all funds and accounts of the Association separate from the funds and accounts of other associations managed by the other person or manager, (b) maintain all reserve and working capital accounts of the Association separate from the operational accounts of the Association, and (c) provide to the Association an annual accounting and financial statement of Association funds prepared by the manger, a public accountant or a certified public accountant.

ARTICLE 11

DAMAGE OR DESTRUCTION

Section 11.1 The Role of the Executive Board. Except as provided in Section 9.5, in the event of damage to or destruction of all or part of any Common Elements improvement, or other property covered by insurance written in the name of the Association under Article 9, the Executive Board shall arrange for and supervise the prompt repair and restoration of the damaged property. The property insured by the Association pursuant to Article 9 is sometimes referred to as the "Association Insured Property".

- Section 11.2 Estimate of Damages or Destruction. As soon as practicable after an event causing damage to or destruction of any part of the Association-Insured Property, the Executive Board shall, unless such damage or destruction shall be minor, obtain an estimate or estimates that it deems reliable and complete of the costs of repair and reconstruction. "Repair and reconstruction" as used in this Article shall mean restoring the damaged or destroyed improvements to substantially the same condition in which they existed prior to the damage or destruction unless the approval is first obtained of sixty-seven percent (67%) of First Mortgagees of Units subject to a First Mortgage (which percentage is measured by votes allocated to such Units). Such costs may also include professional fees and premiums for such bonds as the Executive Board or the Insurance Trustee, if any, determines to be necessary.
- Section 11.3 Repair and Reconstruction. As soon as practical after the damage occurs and any required estimates have been obtained, the Association shall diligently pursue to completion the repair and reconstruction of the damaged or destroyed Association-Insured Property. As attorney in-fact for the Owners, the Association may take any and all necessary or appropriate action to effect repair and reconstruction of any damage to the Association Insured Property, and no consent or other action by any Owner shall be necessary. Assessments of the Association shall not be abated during the period of insurance adjustments and repair and reconstruction.
- Section 11.4 Funds for Repair and Reconstruction. The proceeds received by the Association from any property insurance carried by the Association shall be used for the purpose of repair, replacement and reconstruction of the Association-Insured Property, for the benefit of Owners and Mortgagees. If the proceeds of the Association's insurance are insufficient to pay the estimated or actual cost of such repair, replacement or reconstruction, or if upon completion of such work the insurance proceeds for the payment of such work are insufficient, the Association may, pursuant to Section 10.5, if permitted under the Act, levy, assess and collect in advance from the Owners, without the necessity of a special vote of the Owners, a Special Assessment sufficient to provide funds to pay such estimated or actual costs of repair and reconstruction. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair, replacement or reconstruction.
- Section 11.5 Disbursement of Funds for Repair and Reconstruction. The insurance proceeds held by the Association and the amounts received from the Special Assessments provided for above, constitute a fund for the payment of the costs of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for the costs of repair and reconstruction shall be made from insurance proceeds, and the balance from the Special Assessments. If there is a balance remaining after payment of all costs of such repair and reconstruction, such

balance shall be distributed to the Owners in proportion to the contributions each Owner made as Special Assessments, then in proportion to the relative value of each Unit which shall be based on the square footage of the Unit and in accordance with the Units' Percentage Share of Common Expenses, first to the Mortgagees and then to the Owners, as their interests appear.

ARTICLE 12

CONDEMNATION

Section 12.1 Rights of Owners. Whenever all or any part of the Common Elements shall be taken by any authority having power of condemnation or eminent domain or whenever all or any part of the Common Elements is conveyed in lieu of a taking under threat of condemnation by the Executive Board acting as attorney-in-fact for all Owners under instructions from any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice of the taking or conveying. The Association shall act as attorney-in-fact for all Owners in the proceedings incident to the condemnation proceeding, unless otherwise prohibited by law.

Section 12.2 Partial Condemnation; Distribution of Award; Reconstruction. The award made for such taking shall be payable to the Association for the benefit of the Owners and Mortgagees and, unless otherwise required under the Act, the award shall be disbursed as follows:

If the taking involves a portion of the Common Elements on which improvements have been constructed, then, unless within sixty (60) days after such taking Declarant and Owners who represent at least fifty-one percent (51%) of the votes of all of the Owners shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Elements to the extent lands are available for such restoration or replacement in accordance with plans approved by the Executive Board. If such improvements are to be repaired or restored, the provisions in Article 11 above regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvements on the Common Elements, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be distributed among the Units according to the relative value of each Unit which shall be based on the square footage of the Unit and in accordance with each Unit's Allocated Interests of Percentage Share of Common Elements, first to the Mortgagees and then to the Owners, as their interests appear.

Section 12.3 Complete Condemnation. If all of the Property is taken, condemned, sold or otherwise disposed of in lieu of or in avoidance of condemnation, then the regime created by this Declaration shall terminate, provided that the approval is first obtained of fifty-one percent (51%) of First Mortgagees of Units subject to First Mortgages (which percentage is measured by votes allocated to such Units), and portion of the condemnation award attributable to the Common Elements shall be distributed as provided in Section 11.5 above.

ARTICLE 13

ASSOCIATION AS ATTORNEY-IN-FACT

Each Owner hereby irrevocably appoints the Association as the Owner's true and lawful attorney-in fact for the purposes of purchasing and maintaining insurance pursuant to Article 9, including the collection and appropriate disposition of the proceeds thereof, the negotiation and settlement of losses and execution of releases of liability, the execution of all documents, and the performance of all other acts necessary to purchase and maintain insurance as well as dealing with any improvements covered by insurance written in the name of the Association pursuant to Article 9 upon their damage or destruction as provided in Article 11, or a complete or partial taking as provided in Article 12, above. Acceptance by a grantee of a deed or other instrument of conveyance or any other instrument conveying any portion of the Property shall constitute appointment of the Association as the grantee's attorney-in-fact, and the Association shall have full authorization, right and power to make, execute and deliver any contract, assignment, deed, waiver or other instrument with respect to the interest of any Owner which may be necessary to exercise the powers granted to the Association as attorney-in fact.

ARTICLE 14

DESIGN REVIEW

No alteration or additions to the Common Elements shall be made unless first approved in writing by the Executive Board. The Executive Board shall exercise reasonable judgment to the end that all modifications to the Common Elements conform to and harmonize with existing surroundings and structures. The Executive Board has the absolute right to deny any requested changes which the Executive Board reasonably determines do not conform to and harmonize with existing surroundings and structures.

ARTICLE 15

MORTGAGEE'S RIGHTS

The following provisions are for the benefit of holders, insurers or guarantors of First Mortgages on Units. To the extent permitted under Colorado law and applicable, necessary or

proper, the provisions of this Article apply to this Declaration and also to the Articles, Bylaws and Rules and Regulations of the Association.

Section 15.1 Distribution of Insurance or Condemnation Proceeds. In the event of a distribution of insurance proceeds or condemnation awards allocable among the Units for losses to, or taking of, all or part of the Common Elements, neither the Owner nor any other person shall take priority in receiving the distribution over the right of any Mortgagee who is a beneficiary of a First Mortgage against the Unit.

Section 15.2 Right to Pay Taxes and Charges. Mortgagees who hold First Mortgages against Units may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Elements, and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for such Common Elements and Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Section 15.3 Financial Statement. Upon written request from any Agency or Mortgagee which has an interest or prospective interest in any Unit or the Project, the Association shall prepare and furnish within ninety (90) days a financial statement of the Association for the immediately preceding fiscal year, at the expense of such Mortgagee.

Section 15.4 Notice of Action. Any First Mortgagee and any Agency which holds, insures or guarantees a First Mortgage, upon written request to the Association (which shall include the Agency's name and address and the Unit number), will be entitled to timely written notice of:

15.4.1 Any proposed amendment of the Association Documents effecting a change in (a) the

boundaries of any Unit or the exclusive easement rights appertaining thereto, (b) the interest in the Common Elements appurtenant to the Unit or the liability of Assessments relating thereto, (c) the number of votes in the Association relating to any Unit, or (d) the purposes to which any Unit or the Common Elements are restricted or any amendment set forth in Section 16.2 below;

15.4.2 Any proposed termination of the common interest community;

15.4.3 Any condemnation loss or any casualty loss which affects a material portion of the

Project or which affects any Unit on which there is a First Mortgage held, insured or guaranteed by such Agency;

15.4.4 Any delinquency in the payment of Assessments owed by a Unit Owner subject to the Mortgage where such delinquency has continued for a period of sixty (60) days;

15.4.5 Any lapse, cancellation or material modification of any insurance policy maintained by the Association pursuant to Article 9.

Section 15.5 Action by Mortgagee. If this Declaration or any Association Documents require the approval of Mortgagees then, if any Mortgagee fails to respond to any written proposal for such approval within thirty (30) days after such Mortgagee receives proper notice of the proposal (or such longer time as may be set forth in the notice), such Mortgagee shall be deemed to have approved such proposal provided that the notice was delivered to the Mortgagee by certified or registered mail, return receipt requested.

ARTICLE 16

DURATION OF COVENANTS AND AMENDMENT

Section 16.1 Term. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity, subject to the termination provisions of the Act.

Section 16.2 Amendment. This Declaration, or any provision of it, may be amended at any time by Owners holding not less than sixty-seven percent (67%) of the votes possible to be cast under this Declaration at a meeting of the Owners called for that purpose, and, provided the First Mortgagee has requested notice in accordance with Section 15.5 above, the approval shall first be obtained of seventy-five percent (75%) of First Mortgagees of Units subject to a First Mortgage (which percentage is measured by votes allocated to such Units) if the amendment to the Association Documents adds any material provisions which establish, provide for, govern or regulate any of the following:

16.2.1 Voting;

16.2.2 Assessments, Assessment liens or subordination of such liens;

16.2.3 Reserves for maintenance or repair and replacement of the Common Elements;

Notwithstanding the foregoing, Declarant, acting alone, reserves to itself the right and power to modify and amend this Declaration and the Map to the fullest extent permitted under the Act.

Section 16.3 Revocation. This Declaration shall not be revoked nor shall the condominium regime created hereby be terminated (except as provided in Article 11 regarding total destruction and Article 12 regarding total condemnation), without (a) the consent of all of the Owners evidenced by a written instrument duly recorded with the Clerk and Recorder and (b) the consent of seventy five percent (75%) of First Mortgagees of Units subject to First Mortgages (which percentage is measured by votes allocated to such Units).

ARTICLE 17

Section 17.1 Restriction on Declarant Powers. Notwithstanding anything to the contrary herein, no rights or powers reserved to Declarant hereunder shall exceed the time limitations or permissible extent of such rights or powers as restricted under the Act. Any provision in this Declaration in conflict with the requirements of the Act shall not be deemed to invalidate such provision as a whole but shall be adjusted as is necessary to comply with the Act.

Except as otherwise provided in this Declaration, the Executive Board, Declarant or any Owner shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Section 17.4 Conflicts Between Documents. In case of conflict between this Declaration and the Articles and the Bylaws of the Association, this Declaration shall control. In case of conflict between the Articles and the Bylaws, the Articles shall control.
