AERIAL MAP

Found along Florida's welcoming Gulf Coast, Port Charlotte is located about halfway between Sarasota and Fort Myers, perfectly positioned to offer every manner of water-borne activities. Port Charlotte, with more than 165 miles of waterways, provides access to Charlotte Harbor and the Gulf of Mexico and many more miles of natural shoreline bordering Charlotte Harbor and the Peace and Myakka Rivers. But that's not all. Seven of the 21 golf courses located in Charlotte County are found in Port Charlotte. Charlotte Sports Park is home to spring training for the Tampa Bay Rays. Tippecanoe Environmental Park in Port Charlotte offers hiking trails and wildlife viewing through 380 acres of scrub and pine flatwoods.

The new planned community of West Port has broken ground and is just minutes from the Port Charlotte Town Center. The master planned community is creating excitement by developing 2,000 new homes and thousands of commercial square footage.

A portion of the Port Charlotte Town Center is being redeveloped and will include 500 apartments in two new developments. The Avery at Port Charlotte will be a five-story residential building on the El Jobean side of the mall and will include 250 apartments with a clubhouse, resort-style pool, fitness center, business space and bike racks. Another four story, 250-unit residential building will be developed closer to the Murdock Circle side of the mall.
