

Evans Butler Realty, Inc.

Columbia Lane with frontage on Interstate 95 and US 192 NWQ \$2,200,000

The property is a total of 14.4 acres

Located on the NW quadrant of Interstate 95 and U.S. 192 with access via Columbia Lane. The parcel has 1,550' fronting I-95 and 370' along Columbia Lane. The St. John's Heritage Parkway runs parallel to Columbia Lane and is open to the south of US 192 all the way south beyond Malabar Road. The parkway is under construction presently in Palm Bay southward and has already been extended north of US 192 to meet up with the Ellis Road I-95 interchange. US 192 is a major east-west artery for the South Brevard County Area and also extends west to the resorts in the Orlando Area. Traffic count on I-95 is 69,500 cars. US 192 west of I-95 is 6,200 and east of I-95 is 24,880.

The Space Coast Town Center project on 160 acres on the SW quadrant of I-95 and US 192 is being developed including a 300 unit apartment complex completed and with a single family subdivision site sold.

Adjacent to the property is a site purchased for a franchised John Deere Sales and Service facility. The new owner has site plan approval, which requires the paving of Columbia Lane along their road frontage, therefore the subject property will benefit from a paved, and curbed road in front of the site.

Please look at the survey which shows the Florida Power and Light easements where they need to maintain their aerial lines. Driveways and parking are both allowed in the easement but no structures can be there nor are they allowed atop the Natural Gas lines either.
