WHY PALMAS DEL MAR?

Ranked as one of the top Airbnb locations in the Caribbean with a large full-time population, Palmas del Mar is one of the largest master-planned, resort-oriented residential developments in the Caribbean, with approximately 3,000 acres of land devoted to a variety of residential, commercial, and resort uses. The gated community is located on the southeast coast of Puerto Rico. Palmas del Mar has more than six miles of Caribbean Sea frontage, including approximately three miles of continuous sandy beach. The remainder of the water frontage is comprised of secluded beaches and rocky outcroppings, offering sweeping views and protected coves.

The inland portion of Palmas del Mar presents a diverse topographical landscape providing an extensive array of land use designs ranging from custom hillside residences to clustered housing developments fronting golf courses and other recreational amenities. Adding to the tranquility of the development, the preferred means of transportation is by golf cart, rather than automobile.

Palmas has a 150 slip marina, a new worldclass yacht club equipped for yachts and mega yachts, an equestrian center, two 18 hole golf courses designed by Rees Jones and Gary Player, a

20-court tennis center, beach clubs, a Pre-K to 12th grade English language school, a 60 acre tropical forest, and 14 restaurants - all within a golf cart ride.

Amenities

Palmas del Mar offers its residents and visitors a wide range of activities and amenities to provide the best of resort living including:

Country Club: The Country Club features a 25,000 square foot clubhouse that contains members lounge area with lockers, showers and massage rooms. It also features a 2,600 square foot pro shop, dining venue and a bar. Palmas del Mar features two premier golf courses as well as separate tennis, fitness and beach club facilities.

Golf Course: The club's golf facilities include two of the finest courses in the entire Caribbean. The Club has all the required support facilities for the two courses and additional expansion. The 16,500 square foot golf cart barn includes a shoe storage area for up to 1,000 pairs of shoes, a large golf bag storage area, and a storage area for the carts that service the players.

Town Center Palmas

Tennis Club: The tennis club is a large and extensive facility, with 20 tennis courts featuring three different playing surfaces, 11 clay, seven hard court and two carpet courts. In addition, seven of the courts are lit for night play. The two-level, 2,500 square foot tennis club features a pro shop and a fitness facility.

Beach Club: Located on a prime beach front site the 6,500 square foot beach club provides a secluded beach, an extensive pool area, a hot tub, a tanning deck, a playground for children, and food and beverage facilities.

The Harbor at Palmas: The harbor has 200 individually-owned boat slips along the inner harbor and its waterways. Capable of handling yachts in excess of 100 feet, the harbor is able to provide ample docking for the boating community.

The Palmas Academy: Open since 1992, the Palmas Academy is located within the Palmas del Mar gates on the north side of the resort on an 18-acre campus. The private academy uses English as the language of instruction and a supplementary Spanish curriculum from pre-kindergarten through twelfth grade.

Lodging Development: Palmas del Mar features one full-service hotel with 100 rooms, a resort pool, 6,000 square feet of meeting space, and a casino. Other lodging options are available through time-shares and private rentals.
