The City of North Port, one of Florida's fastest growing and largest cities, is strategically located in Sarasota County, on Florida's Gulf Coast midway between Tampa and Fort Myers only a short distance from the new West Villages Development and the new Atlanta Braves Training Facility. This thriving young community (founded in 1959) has the amenities and assets that make it an attractive location for new business, industrial, office development and quality of city living. North Port has several prime development sites, ample sewer and water capacity and excellent interstate access via I-75. With a median age of 45 years, it is currently only forty percent complete of the intended development of the community.

The Atlanta Braves have spent 72 consecutive years in Florida for Spring Training and will continue their Florida legacy by committing to a 30-year Facility Operating Agreement in West Villages Florida, with the option to extend the term in two five-year increments. In 2019, the Braves began Spring Training in the team's new state-of-the-art spring training complex in West Villages / Wellen Park Florida, a master-planned community in the City of North Port in Sarasota County which is boasting an additional 46,000 new rooftops.
