Florida News

Florida's population crossed the 23 million residents mark for the first time this year because of the influx of people moving from other states.

As of April 1 2024, Florida had 23,002,597 residents, according to estimates released early July 2024 by the state Demographic Estimating Conference.

Pasco EDC Ready Sites Program

One of the fastest growing trends in the site location business is the demand for project-ready industrial properties. The reason is simple: companies need ready access to buildable sites in order to make a location decision and the ability to efficiently begin construction and complete a project.

Double Branch has been recognized by Pasco County as a Pasco EDC Ready Site, allowing us an elevated portfolio for national marketing with the county.

Double Branch checks all the boxes needed for a Pasco Ready Site:

- Evaluated industrial ready sites ranging from 100-1,000 AC
- Contiguous and developable acreage outside the 100 & 500 yr. floor zones
- Single & multiple users
- Access to industrial quality utilities
- Within 10 miles of an interstate or 4-lane highway

Utility Information

Electric/Power (*Withlacoochee River Electric Cooperative*): +2.5MW available today with a 50MW facility being delivered in Summer 2025.

Water (*Pasco County Utilities*): 8", 12" & 16" lines with a 391,00 gal per day capacity; ability to expand in Phase 2 to 920K gal per day.

Wastewater (*Pasco County Utilities*): 6", 8", & 12" lines with a 405K gal per day capacity; ability to expand in Phase 2 to 920K gal per day.

Reclaimed (*Pasco County Utilities*): 8" & 12" lines both existing and under construction.

Fiber Network (*Spectrum*): Available up to 100 Gbps.

Natural Gas (*TECO People Gas*): 6" truck line available within 6 months.

Zoning

Purpose and Intent. Within its Comprehensive Plan, Pasco County provides for a variety of mechanisms to encourage economic development, including the creation of employment-generating uses within the following Future Land Use (FLU) Classifications:

- EC (Employment Center)
- IH (Industrial - Heavy)
- IL (Industrial - Light)
- OF (Office)
- PD (Planned Development). The purpose of the EC-MPUD Zoning District is to implement the EC (Employment Center) Land Use Classification of the Pasco County Comprehensive Plan.

For Lease | Under Construction

Building Specifications

75 Logistics at Double Branch is located at the immediate South-East quadrant of I-75 and State Road 52, providing access to one of Florida's most utilized elevated highways for logistics and transportation. The industrial portion of this master-planned, mixed-use project is entitled for up to 4.5M square feet with the ability to accommodate occupier needs ranging in size from ±35,000 SF to over 1,600,000 SF.

With site clearing complete and the initial paving of Tradeway Boulevard finalized, Phase I (Building B, C & D) are on pace to start speculative construction early Q3 2024; estimated delivery for these three buildings will be Q2 2025 . **Below is an interactive interface to view building specifications for the first three speculative buildings. If viewing on mobile or wish to print, please reach out to the Industrial Advisors for a print-friendly version.**

Building Specifications

In addition to the speculative construction outlined as Phase I on the previous page, 75 Logistics at Double Branch can also accommodate build-to-suit solutions for occupiers requiring larger or more complex distribution or manufacturing centers. Outlined below you will see the two additional buildings proposed to complete Phase I, a ±445,000 SF cross-dock situated at the main entrance to the park and a ±1,550,000 SF cross-dock designed to maximize visibility paralleling I-75. Given the total size of the site and entitlements in hand for up to 4.5M SF, the Double Branch team has exceptional flexibility to design a custom solution for your (or your Clients') needs.

Below is an interactive interface to view the proposed building specifications. If viewing on mobile or wish to print, please reach out to the Industrial Advisors for a print-friendly version.

Proven Industrial Market

Located on the west central coast of Florida and in one of the fastest growing areas in the greater Tampa Bay region, Pasco County features a unique blend of undeveloped, open spaces in close proximity to the modern, vibrant communities which make it a great location to live, visit, and do business. With over \$45M available to assist with corporate relocations, Pasco County is determined to maintain a business-friendly climate. Pasco County EDC is also committed to working with the end user and will evaluate which incentives will provide the most impact for the business.

A few notable incentives include:

- Penny for Pasco
- Job Creation Incentive (JCI) Grant
- Transportation Mobility Impact Fee Waivers
- Expedited Permitting and Processing
- Clean Energy Initiatives
