## Walgreens

Walgreens Puerto Rico has been operating in Puerto Rico since 1944. Currently there are 81 stores with sales volumes, on average, performing 10% above Walgreens chain store's average sales. Walgreens is part of the larger Walgreens Boots Alliance, an American holding company that owns one of the largest retail pharmacy chains in the world with Market Capitalization of \$19.67 Billion and a Moody's Credit Rating of Baa3 making it an attractive option for NNN real estate investors.

Due to Walgreen's long history, community acceptance, and success, Puerto Rico has the highest concentration of Walgreens per square mile as compared to any other US Jurisdiction and is the largest pharmacy services provider in Puerto Rico.

Walgreens Puerto Rico offers a wide range of services, including prescription medications, over-the-counter drugs, health and beauty products, photo services, and more. With a strong focus on customer satisfaction, Walgreens Puerto Rico provides convenient access to healthcare essentials and strives to meet the needs of the local population. One highlight to the Puerto Rico market is the wide selection of cosmetics and beauty products carried by Walgreens. This department is a standout for the chain in the market

Despite challenges faced by the Island, such as natural disasters and economic fluctuations, Walgreens Puerto Rico remains an integral part of the healthcare infrastructure in Puerto Rico. Its accessibility, extensive product offerings, and commitment to community well-being have made it a dependable resource for individuals and families across the region for decades.
