PROPERTY DESCRIPTION

This 2-story building was built in 1880 and is 2400 ± SF ideal for professional office/retail, food service, or hospitality (AirBNB). The building is situated on a .52-acre corner lot zoned CBD (Clermont) and is located at the corner of W. Minneola and West Ave. in Clermont, Florida, in the heart of the “hot” renovated downtown Clermont Central Business District. Walkability score is high with numerous restaurants, shops, breweries, and cafes within several blocks, including the busy waterfront district. Ideal for food service (this used to be a French restaurant), professional office, retail, or hospitality (Air-BNB).

Remodeling was started on this building while keeping the charm of a 1880 historic look and feel. The current approved project consists of the existing building as an AirBNB with approval to build an additional 8 Cabanas at the rear of the property. This site plan also allows for parking, which has been approved and is located around the outside perimeter of the project, in addition to the street parking that is available. The site plan along with a brochure has been attached. The seller is willing to manage the project (for a fee), and owner financing is also available.

LOCATION DESCRIPTION

The property is situated in the City of Clermont's award-winning Downtown-Waterfront Master Plan, which is part of over 30 projects, including streetscapes, trails, parks, and infrastructure improvements. While much of the focus is on the Downtown-Waterfront District, the Master Plan keeps the visitors and residents connected and frequent events that draw hundreds of thousands of people to this internationally recognized City that is one of the nation's top places to live and also a training ground for the world's elite athletes. Within several blocks of the property are numerous restaurants, breweries, boutiques and the Lake Minneola Waterfront Park which hosts festivals, international triathlons, water competitions and is on the Rails to Trails fitness trail (a 30-mile fitness trail system that goes from coast to coast).

Clermont has been nationally certified as a Runner-Friendly and Bicycle-Friendly Community. Located at the halfway point of the Florida Coast-to-Coast Trail, Clermont's South Lake Trail offers a variety of attractive amenities for trail users, including restrooms, shade, the children's water park, benches, information kiosks, way finding signs, water fountains and showers. An impressive selection of lodging, restaurants and shops are also reachable via the trail. Through the City of Clermont's award-winning Master Plan, many enhancements are being made to our trail system, including Legacy Loop Trail, Meet Us in the Middle Plaza and the Clermont Wi-Fi Trail. The Meet Us in the Middle Plaza will be a gathering place that will hallmark the midpoint of the Florida Coast-to-Coast Trail, connecting the east and west coasts of Florida in a celebratory fashion intentionally designed as a one-of-kind trailhead and park experience.

This building is situated at the corner of West Ave. and W. Minneola in Clermont, Florida, in the heart of the "hot" renovated downtown Clermont Central Business District. This property is a great opportunity in Historic Downtown Clermont.
