Upland Real Estate Group, Inc. expressly denies any obligation to conduct a due diligence examination of this Property for Buyer.

Any projections, opinions, assumptions or estimates used in this Marketing Package are for example only and do not represent the current or future performance of this property. The value of a net leased property to you depends on factors that should be evaluated by you and your tax, financial, legal and other advisors.

Buyer and Buyer's tax, financial, legal, and construction advisors should conduct a careful, independent investigation of any net leased property to determine to your satisfaction with the suitability of the property for your needs.

Like all real estate investments, this investment carries significant risks. Buyer and Buyer's legal, financial and other advisors must request and carefully review all legal, financial and other documents related to the property and tenant. While past performance at this or other locations is an important consideration, it is not a guarantee of future success. Similarly, the lease rate for some properties, including newly-constructed facilities or newly-acquired locations, may be set based on a tenant's projected sales with little or no record of actual performance, or comparable rents for the area. Returns are not guaranteed; the tenant and any guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of the lease; cash flow may be interrupted in part or in whole due to market, economic, environmental or other conditions. Regardless of tenant history and lease guarantees, Buyer is responsible for conducting his/her own investigation of all matters affecting the intrinsic value of the property and the value of any long-term lease, including the likelihood of locating a replacement tenant if the current tenant should default or abandon the property, and the lease terms that Buyer may be able to negotiate with a potential replacement tenant considering the location of the property, and Buyer's legal ability to make alternate use of the property.

All information, including price change and withdrawal from the market, is subject to change without notice.

By accepting this Marketing Package you agree to release to Upland Real Estate Group, Inc. and hold it harmless from any kind of claim, cost, expense, or liability arising out of your investigation and/or purchase of this net leased property. Property to be sold 'where is, as is.'

Tenant: NSV Brew, LLC is a Scooters franchisee which operates 1 location.

Instead of the typical Scooter's Coffee kiosk, this location has a walk-in area in addition to its drive-thru. It is also more than 1,200 square feet, or about twice the size of the standard Scooter's Coffee size. The franchisee, The Nygaards are life-long Minnesotans who've lived in nearby Lino Lakes for 28 years. They discovered Scooter's Coffee on a visit to Iowa. Susan's a nurse and Brent works in structural design, but both were ready for new challenges. "The brand really spoke to us, especially their core values of integrity, love, humility, and courage," she said. "We are so excited to bring Scooter's Coffee to the National Sports Village."

Corporate:

Founded in 1988, Don and Linda Eckles began their amazing journey when they opened their first drive-thru coffeehouse in Bellevue, Nebraska. For over two decades, Scooter's Coffee has had amazing success due to its commitment to the original business principles and company core values. Their keys to success: find a great location and stay committed to high-quality drinks, speed of service, and a BIG smile. The Scooter's Coffee brand Promise, often recited to franchisees, customers, and employees is "Amazing People, Amazing Drinks.. Amazingly Fast!®"

The Scooter's brand now has over 600 locations throughout the country. Scooter's Coffee offers a variety of food and beverage items, including coffee beverage items available in hot, iced, or blended, smoothies, teas, sandwiches, and more. Scooter's roasts only the finest coffee beans from the top 10% of specialty coffee beans in the world at its headquarters in Omaha, Nebraska.

Blaine, MN

Located next to the National Sports Center, a 60 acre mixed use redevelopment project incorporating restaurants, entertainment, hospitality and residential is currently underway with plans to be completed by Spring 2026. The most notable part of the early construction will be the 5,000 seat multi-use event stadium that will be home to a minor league baseball team and will also host many other events throughout the year. The first phase of the district will also include a food hall, field house and experiential golf driving range, public gathering spaces, and a hotel.

Scheels also recently announced plans to open a 250,000 SF store as a part of the 105th Avenue Redevelopment with an expected opening date in Spring 2028. This new location will be Scheels' second store in the Twin Cities metro, joining its Eden Prairie location, and its sixth store in Minnesota. Blaine's massive Scheels store will feature a ferris wheel, candy shop, 16,000-gallon saltwater aquarium filled with over 600 fish, a restaurant, interactive arcade games, and a wildlife mountain.

The 105th Avenue Redevelopment in Blaine, Minnesota, is a transformative project aimed at revitalizing the area near 105th Avenue, Nassau Street, and Radisson Road. The initiative seeks to convert a predominantly industrial zone into a vibrant, mixed-use entertainment district. This redevelopment is strategically positioned adjacent to the National Sports Center (NSC), a major attraction drawing over 4 million visitors annually. The master plan includes the construction of a full-service hotel, a food hall, various restaurants, residential units, and a multi-purpose stadium designed to host sports events and concerts.

Construction commenced in November 2024, marking the beginning of a multi-phase development projected to exceed \$750 million in value upon completion. The redevelopment aims to bring more amenities for NSC visitors and Blaine residents by providing entertainment, hospitality, and recreational options within close proximity. Future phases envision additional hotels, housing, office spaces, and public gathering areas, all designed to create a pedestrian-friendly environment with a "downtown" feel . This ambitious project not only enhances the local economy but also positions Blaine as a regional destination for sports and entertainment.

Located just south of the National Sports Village, The Anoka County-Blaine Airport is home to a variety of vintage, experimental, recreational and corporate aircraft. In 2024, the airport saw a 2% increase in operations with nearly 72,000 takeoffs and landings.

North of Minneapolis and St. Paul, the Anoka County-Blaine Airport (ANE) is home to the most diverse aircraft fleet in the MAC's reliver airport system. **Among the MAC's Reliever Airports, ANE has the most aircraft based there - 365— and is also among the busiest, just behind Flying Cloud Airport in Eden Prairie.**

In 2024, the MAC began construction on a new facility for the storage and maintenance of capital equipment, with an anticipated opening in the summer of 2025. The facility will consist of five bays to provide essential storage capacity and enhance the efficiency of equipment maintenance and servicing operations. The MAC completed repaving projects on Airport Road, General Aviation Boulevard and the entrance roads while adding new signage at the main entrance. The MAC also added new fencing to prevent wildlife from entering operational areas.
