## Location Description

Climate Controlled Warehouse | 7490 30th Ave N | Saint Petersburg, FL

## Location Overview

The region around the industrial park is a suburban area known for a strong retail presence, abundant amenities, and convenient access to the Gulf beaches and major transportation routes. It is a self-sufficient area that provides a blend of quiet residential living with commercial convenience. Tyrone Square Mall is a major enclosed mall with numerous department stores, a movie theater and nationally recognized restaurants. The location offers excellent access to the Pinellas County beaches. St. Pete Beach, Treasure Island, and Gulfport's Waterfront District are all a short drive (approximately 15 minutes) to the west, providing extensive recreational opportunities and a coastal lifestyle. The area is well-connected by major roadways, including Tyrone Boulevard (Alternate U.S. 19), 66th Street, and 22nd Avenue N, facilitating easy travel throughout the region. The countywide transit authority is also enhancing bus service and planning a Park 'N Ride facility near the mall.

## Potential Users

### Any warehouse user and/or distributor, including:

- Distribution and logistics
- Light manufacturers that require a sizable, flexible area for production and assembly.
- Research and development companies
- Businesses with storage needs such as a climate-controlled storage
- Pet care and kennel
- Catering services & food service contractors
- Microbrewery
- Any fleet-based service
- Establishments involved in construction
- Storage facility & mini warehouses
- Wholesalers

### Good candidate for Cost segregation suitability:

This IRS-approved tax strategy identifies and reclassifies a property's components into shorter depreciation schedules (5, 7 or 15 years) instead of a standard 39 years. This can provide:

- Accelerated depreciation
- Improved cash flow
- Enhanced ROI
- Significant Income tax savings
