421 E. Robinson St. Orlando, FL. 32801

Transform the existing nearly 10,000 SF block construction building or redevelop the site to bring your vision to life. The City of Orlando has previously approved plans for a stunning mixed-use, 7-story development, featuring spacious one-bedroom, two-bedroom, and three-bedroom units, along with vibrant restaurant and office spaces, and a convenient parking garage. Your vision may include senior housing, student accommodations, or more. The choice is yours! Imagine having breathtaking lake views and enjoying leisurely strolls along the picturesque 0.9-mile concrete path that hugs Lake Eola.
