PROPERTY FEATURES

PRIME 4.71-ACRE MULTI-USE DEVELOPMENT SITE ON VAN DYKE RD

This offering is primarily a land listing and includes an existing single-family dwelling currently under construction, ***which may be completed in 2026 or removed to accommodate future development.*** The property consists of a rare 4.7-acre waterfront parcel on Van Dyke Road in Lutz, featuring panoramic views of Lake Reinheimer, manicured grounds, and a private natural setting framed by mature trees, while remaining close to major shopping, dining, St. Joseph's North Hospital, and key transportation corridors.

Zoned RSC-2 (Residential Single-Family Conventional, 2 units per acre), the site features over 386 feet of frontage along Van Dyke Road, providing excellent visibility and access. The zoning and acreage make it well suited for a variety of future development opportunities with long-term investment potential.

The property includes an approximately 9,000-square-foot grey shell concrete structure with a durable 6-inch poured concrete roof, offering exceptional flexibility for customization or expansion. Existing plans, permits, budget, and builder are already in place, with projected completion in 2026. With its prime location, lakefront views, and development-ready infrastructure, this is a compelling opportunity for investors, developers, or owner-users seeking a truly distinctive property.
