■ PROPERTY OVERVIEW

This well-located 1,200± SF industrial/flex unit offers exceptional functionality for a wide range of business operations. Designed for light industrial, contractor, service, storage, or flex uses, the space features approximately 20' clear height and a 14' x 13' overhead door, providing efficient access and versatile workspace capabilities. The unit is fully air-conditioned and includes a private restroom, making it comfortable and move-in ready for day-to-day operations. Zoned C-5, the property allows for numerous permitted commercial, industrial, and storage-oriented uses. The complex is gated and offers secure, easy access for tenants. Professionally maintained and locally owned, the property provides responsive management and operational flexibility.
