RE: Haven Peace - CSP

Dear Rommel Fontana:

The Development Review Committee (DRC) has approved the above-referenced Construction Site Plan (CSP). Please refer to the stamp on the cover sheet of the CSP for the approval date. This action allows you to apply for the permits necessary to begin construction.

Prior to commencing any site construction, including grading or clearing, a pre-construction meeting must be held with the City Engineer. Please contact (407) 703-1632 to schedule this meeting. Additionally, a building permit must be issued by the City of Apopka Building Official prior to construction or installation of any structure or building. Contact (407) 703-1713 for any inquiries regarding the building permit process.

The terms and conditions of the CSP are valid for two (2) years from the approval date. A copy of the approved CSP is available to download for your records. This plan must be kept on the job site during construction.

If you have any questions, please contact the Community Development Department at (407) 703-1712.

Sincerely,

Bobby Howell
