

Features and Improvements

- Water resistant commercial grade vinyl flooring
- Baseboards and decorative crown molding
- Custom high-end, soft-close cabinetry in every room
- Vanity with marble countertop in bathroom
- Decorative light fixtures
- New electrical
- Water heater (2019)

Comments: Very little in this unit has been left untouched. Considering the current cost of materials, labor, and construction downtime, this is an exceptional value for a fully updated, turnkey space.
