KinderCare learning Centers, LLC is the tenant on the lease with over 2,700 locations across 41 states and the District of Columbia.

KinderCare Learning Center is an American operator of for-profit child care and early childhood education. The company provides educational programs for children from six weeks to 12 years old. KinderCare is the third-largest privately held company headquartered in Oregon with over 200,000 children enrolled in more than 2,700 early childhood education community centers, 1,000+ before-and-after school programs, and over 100 employer-sponsored centers. KinderCare focuses on providing pre-kindergarten education, where medical care or delinquency correction is not a major element. These establishments may or may not have substantial educational programs. These establishments generally care for pre-kindergarten or preschool children, but may care for older children when they are not in school.

KinderCare strives to help families build confidence for their child's life. Their programs give children a foundation they can build on. Wherever they go after they leave KinderCare, they'll be ready to think bigger, feel stronger, and aim higher. A child's world gets a little bigger every time they step— or crawl, or roll, or hop!—into a KinderCare classroom. At KinderCare they can build a skyscraper, cook an imaginary feast, or heal a teddy bear's runny nose. Education is about more than knowledge. Its about helping children develop the social and emotional skills they'll use for the rest of their lives. Every KinderCare classroom is a mini-community where every child succeed on their own terms. KinderCare teachers do more than teach— they nurture every child, paying attention to each child's unique needs.
