Plants ranged in size from 350 to 3,000ppl and ran 24hrs/day 7 days per week. During this time I have managed a portfolio of commercial income producing properties of all types including office, industrial and retail. Conducted all lease administration and negotiations. Over the years increased company market share by forming a department for non-managed Seller/Landlord Lease & Sale Representation. This evolved into Tenant/Buyer Representation. As the Client base grew more diverse and the market changed, it became necessary to keep the management capabilities within Heritage Management LLC. and create a separate entity with new tools, reach and capability named NAI Heritage. NAI Heritage 1/1/11 - Present. NAI Heritage provides brokerage services to the public and is the alliance brokerage service provider for properties managed by Heritage Management LLC.
