

FOR SALE

Turnkey Landscaping Business

\$70,000

Turnkey Landscaping Business with Established Client Portfolio

Own a well-established landscaping business with 55 recurring residential and commercial maintenance accounts already in place. This is an outstanding opportunity for an entrepreneur looking to own a business with immediate cash flow or for an existing landscaping company seeking to expand its client base.

The sale includes the equipment needed to continue operations, allowing a seamless transition from day one. The current owner is committed to your success and will remain for up to 30 days after closing to introduce clients, train the new owner, explain each route, and provide operational guidance.

Whether you're entering the landscaping industry or growing your existing operation, this business offers an excellent foundation with recurring customers and significant growth potential.
