Conveniently located along the I-4 corridor, Lakeland is a vibrant community offering great access to both Tampa and Orlando. With a population of more than 125,000, the city limits cover an impressive 74.4 square miles. At the core of its community, Lakeland is also home to an abundance of lakes that provide scenic views as well as ample recreational opportunities for its residents. Much of Lakeland’s culture and iconic neighborhoods are built around the 38 named lakes found within the city.

Just as vital to the community, Downtown Lakeland is a lively and enjoyable scene for residents and visitors alike. Dubbed 'Lakeland’s living room,' Downtown Lakeland truly embodies the city's community spirit. This dynamic community boasts quaint shops, casual restaurants, pubs, craft breweries, and fine-dining experiences in and around the historic brick buildings surrounding the historic Munn Park town square.

Embracing the City of Lakeland’s rich history, tree-lined brick streets can be found winding through various historic neighborhoods of the community. The city is also home to several educational institutions, including Southeastern University, Florida Polytechnic University, Polk State College, and Florida Southern College, which hosts Frank Lloyd Wright’s most extensive on-site collection of architecture.

ADVISOR BIOGRAPHY

Joey Hungerford, MiCP

Advisor

joey@saundersrealestate.com

Direct: 877-518-5263 x348 | Cell: 863-660-3511

Professional Background

Joey Hungerford, MiCP is an Advisor at Saunders Real Estate.

Before entering commercial real estate, Joey served in senior communications roles within the federal government, including positions supporting the President of the United States, Communications Director for a Member of the U.S. House of Representatives, and Advisor to the Chairman of the House Judiciary Committee. Working in high-pressure environments where preparation, judgment, communication, and discretion mattered every day shaped the way Joey approaches real estate.

Today, Joey represents property owners, investors, developers, and businesses throughout Central Florida. He takes a broader view of each assignment, first understanding what his clients are ultimately trying to accomplish rather than simply focusing on the transaction in front of him. Whether advising on an acquisition, disposition, development opportunity, or lease, Joey works to identify opportunities, anticipate challenges, and help clients make informed decisions that advance their broader goals.

Joey has developed strong relationships throughout the commercial real estate community, including with lenders, attorneys, contractors, engineers, and other industry professionals. These relationships give his clients access to a trusted network of resources when evaluating opportunities and navigating complex transactions. His approach is disciplined and solutions-oriented, with an emphasis on preparation, clear communication, and keeping transactions moving toward the best possible outcome.

He was named the 2025 Commercial Realtor of the Year by Lakeland REALTORS® and currently serves as Chairman of the association's Public Policy Committee. He is a graduate of the Lakeland REALTORS® Leadership Academy and a member of ICSC, the United Way of Central Florida Young Leaders Society, Emerge Lakeland, and the CCIM Florida West Coast District, where he serves on the Membership Committee. He is also a CCIM Candidate working toward earning the designation.

Joey believes exceptional representation extends well beyond closing a transaction. He is an advisor clients call before making important decisions and someone they trust for an honest opinion, a clear perspective, and the persistence to see things through. For Joey, success is not simply getting a deal done; it is helping clients make decisions that serve their broader goals.

Outside of real estate, Joey and his wife, Hope, are proud parents of two boys, Levi and Hudson. They are members of Together Church in Lakeland, where Joey leads a Connect Group for young fathers.
