PROPERTY OVERVIEW

Coldwell Banker Commercial Realty is pleased to present the 9th St Service Station, located at 20700 9th Street, McIntosh, FL 32664. Situated on an approximately 8,712 SF lot, the property previously operated as a BP gas station and includes 3–4 underground fuel tanks that have been cleaned and foamed by the seller, providing flexibility for future fuel-related operations or alternative redevelopment.

The property is also recognized by Marion County as a historic building, creating a unique opportunity for revitalization. Grant funding may be available to support improvements and redevelopment efforts that preserve and enhance the site and surrounding community. The site features a fully permitted auto repair shop and automobile sales/service facility, a use that has become increasingly difficult to obtain in Marion County. The property received its Certificate of Occupancy on July 6, 2020. The seller is willing to discuss the sale of existing repair shop inventory and is also open to seller financing, subject to mutually agreeable terms. Zoned C-1 (Commercial – Neighborhood Support), the property offers a broad range of permitted retail and service opportunities, including convenience stores, banks, bakeries, beauty salons, gas stations, small gyms, laundromats, restaurants, professional offices, and limited residential units for owners or employees. Its location along US Highway 441 provides excellent visibility and convenient access, with nearby businesses ranging from local service providers to national retailers such as Dollar General, Circle K, and Chevron.
