Professional Background

Joey Hungerford is an Advisor at Saunders Real Estate.

Before entering commercial real estate, Joey served in senior communications roles within the federal government, including positions supporting the President of the United States, Communications Director for a Member of the U.S. House of Representatives, and Advisor to the Chairman of the House Judiciary Committee. Working in high-pressure environments where preparation, judgment, communication, and discretion mattered every day shaped the way Joey approaches real estate.

Today, Joey represents property owners, investors, developers, and businesses throughout Central Florida. He takes a broader view of each assignment, first understanding what his clients are ultimately trying to accomplish rather than simply focusing on the transaction in front of him. Whether advising on an acquisition, disposition, development opportunity, or lease, Joey works to identify opportunities, anticipate challenges, and help clients make informed decisions that advance their broader goals.

Joey has developed strong relationships throughout the commercial real estate community, including with lenders, attorneys, contractors, engineers, and other industry professionals. These relationships give his clients access to a trusted network of resources when evaluating opportunities and navigating complex transactions. His approach is disciplined and solutions-oriented, with an emphasis on preparation, clear communication, and keeping transactions moving toward the best possible outcome.

He was named the 2025 Commercial Realtor of the Year by Lakeland REALTORS® and currently serves as Chairman of the association's Public Policy Committee. He is a graduate of the Lakeland REALTORS® Leadership Academy and a member of ICSC, the United Way of Central Florida Young Leaders Society, Emerge Lakeland, and the CCIM Florida West Coast District, where he serves on the Membership Committee. He is also a CCIM Candidate working toward earning the designation.

Joey believes exceptional representation extends well beyond closing a transaction. He is an advisor clients call before making important decisions and someone they trust for an honest opinion, a clear perspective, and the persistence to see things through. For Joey, success is not simply getting a deal done; it is helping clients make decisions that serve their broader goals.

Outside of real estate, Joey and his wife, Hope, are proud parents of two boys, Levi and Hudson. They are members of Together Church in Lakeland, where Joey leads a Connect Group for young fathers.
