RE: Extension of Time, Riviera Southshore  
PR.05.0017

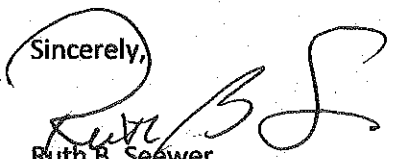

Dear Ms. Chadwick,

Pursuant to your letter of request dated October 6, 2011, this correspondence will verify that under the provisions of Florida Statutes S. 73, Ch. 2011-129 (commonly referred to as HB 7202), a two-year extension is hereby granted for the above referenced PDP.

The Planned Development Project approval will expire on May 9, 2014, unless you apply to the City Council prior to that date and request another extension of time.

Please feel free to contact me or Brady Woods if you have any questions or concerns.

Sincerely,

  
Ruth B. Seewer  
Development Review Manager
