SURVEYOR'S REPORT:

- 1) Based on the National Road Inventory Program, "Map" Map Community - Survey Number, 120289 0165 E (Dated April 17, 1995) the above described property is located in zone "X", being determined to be outside the 500 year flood plain.
- 2) Bearings are based on the east line of the SW 1/4 of the NE 1/4 of the NW 1/4 of Section 27-21-21, Range 3 072846" K, as shown.
- 3) The Surveyor has not observed the state shown herein for assessment and/or rights of way of record.
- 4) No underground pipelines, foundations, utilities, or improvements have been located except as noted in the public records of this county.
- 5) The Surveyor has not observed the state shown herein for assessment and/or rights of way of record.
- 6) There is no evidence on the ground of use of the property which might suggest a possible claim of easement other than those shown on this survey.
- 7) All joint and right of way bearings have been checked to compare to the bearing structure of this survey.
- 8) All bearings were checked to compare to the bearing structure of this survey.
- 9) All bearings were checked to compare to the bearing structure of this survey.
- 10) All bearings were checked to compare to the bearing structure of this survey.
- 11) All bearings were checked to compare to the bearing structure of this survey.
- 12) All bearings were checked to compare to the bearing structure of this survey.
- 13) All bearings were checked to compare to the bearing structure of this survey.
- 14) All bearings were checked to compare to the bearing structure of this survey.
