

"A" Agriculture District. The purpose of the district is to provide a method whereby parcels of Land which are most suited to agricultural usage may be classified and preserved for this purpose. Agriculture is a major industry of the County; therefore it is the intent of this district to: Provide long term means for preventing further Encroachment upon agricultural enterprises; to encourage agricultural pursuits by preserving good soils and agricultural areas from subdivision Development or commercial and industrial Construction.

Agricultural Uses.

1. General Agriculture. Establishments for the keeping, grazing or feeding of livestock and animals; feedlots; croplands; aquaculture; silviculture; apiaries; honey extracting; and buildings which are an accessory use to these agricultural uses. This category of uses does not include processing or distribution plants for agricultural products and supplies when not an accessory use in conjunction with the agricultural operation. Exotic animals are not included in this classification.
2. Non-intensive Agriculture. The milking, feeding, or sheltering of farm animals or growing of supplemental food supplies for the domestic, noncommercial use of the families living on the land. Exotic animals are not included in this classification.
3. Family Garden. A private garden that is the principal use of the property, and that is planted for the cultivation, harvesting and personal use or consumption of fruits, flowers, vegetables or ornamental plants by one (1) person, family or subdivision community.
 - a) Family Garden:
 - (1) Shall be limited to a maximum area of one-half ($\frac{1}{2}$) acre, or twenty-one thousand, seven hundred eighty (21,780) square feet; and
 - (2) Shall be located no closer than sixty-two (62) feet from the center line of adjacent roads and no closer than ten (10) feet from any other property line.
 - b) The following is prohibited on the property where a Family Garden is located:
 - (1) Sales of produce or other agricultural products;
 - (2) Outdoor storage of farm machinery, gardening equipment or containers of pesticides or fertilizers, other than composting bins with a maximum size of one hundred (100) square feet which shall be centered within the boundaries of the property; and
 - c) Structures of any kind, other than composting bins.
4. Agricultural Housing/Camps. Housing for farmworkers where the occupants of such housing perform work either on or off the premises where such camp is located.
5. Greyhound Dog Farms. The keeping of greyhound dogs for sale, breeding, or racing purposes.
6. Kennel. The keeping of dogs and/or cats as defined in Chapter II, Definitions, except in a veterinary clinic or hospital, or in a pet shop as defined in Chapter II.
7. Mills. Milling of natural resources, together with structures, machinery, equipment, and facilities incidental to the development thereof, including, but not limited to mills and sawmills, wood fiber mills, wood processing mills, turpentine stills.
8. Mining and Quarrying. Extraction of natural resources, together with structures, machinery, equipment, and facilities incidental to the development thereof, including, but not limited to extracting, processing, storing, selling and distribution of sand, clay, gravel, etc. and peat and muck recovery and processing.
9. Plant Nurseries. The cultivation for sale of horticultural specialties such as flowers, shrubs, and trees, intended for ornamental or landscaping purposes. Greenhouses are included in this classification.
10. Roadside Farm Stands. Stands that are used to show and sell products all of which are raised or produced on the land on which they are located.
11. Veterinary Clinic or Hospital. An establishment providing medical care, treatment, grooming, or boarding services for animals.
12. Agriculture Industry (Reserved).
13. Pigeon Husbandry. The hobby of breeding, raising, and showing pigeons for racing and show purposes only. The breeding, raising, and slaughtering pigeons as squab is excluded from this definition.
14. Exotic Animals. Those animals classified as either Class I or Class II captive wildlife as set forth in Rule 68A-6.002, Florida Administrative Code.
