

Testimonies

Thank you for not only making buying our house an amazing experience a few years ago but making the selling of it even better. You took a stressful situation and made it easy for me and Kryztilla. We put it on the Market July 8th, put it under contract July 10th and just closed on it with our money on the way August 12th.

~ Mark & Kryztilla Barfield

"Never, never, never give up." -- Winston Churchill (but it may as well have been said by Ken Wright.) We were faced with a complicated sale of a property that had been part of a decades long estate settlement. The sale never would have happened without Ken's expert guidance and stick-with-it-ness.

I highly recommend Ken Wright & his team.

Ken helped me sell two vacant lots super fast! His expertise, diligence, and customer service was the best. Video of the properties SUPER WOW!

Painless process.

I have had the most amazing experience. Ken was always available to answer my questions. Which trust me were numerous. The process has been quick, efficient, and much easier than I ever imagined. I can not thank him and his team enough.

"My family was having trouble with 3 other agents before we were recommended to Ken, Erica, & Dee. We told them exactly what we wanted and they very FIRST listing they had was exactly what we had been looking for! They were also MUCH, MUCH friendlier and easier to get along with than the other agents. They were even EXTREMELY patient and persevering to make sure we got our dream property!! HIGHLY RECOMMENDED!!!"
